

Flower with lots of beads

© 2010 Jennifer Williams

Requirements:

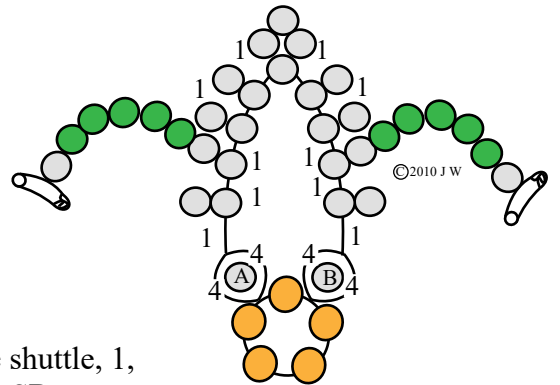

Size 20 thread, size 9/11 beads - 150 silver/white, 5 yellow and 25 green, a fine crochet hook size • 4 crochet hook, 2 safety pins and the usual tating equipment

Abbreviations:

R = ring, cl = close ring, CH. = chain, SB = silver/white bead

String 45 silver/white, 5 yellow and 45 silver/white beads then wind about 2 metres on your shuttle with 45 silver/white beads on the shuttle, 45 silver/white beads on the ball and the 5 yellow beads ready to go in the first ring

R.A Bring the 5 yellow beads into the ring round your hand, 5, move up the 5 beads to make a beaded picot the size of the 5 beads plus room for 3 more, 5, before closing the ring add a bead to the centre of the ring by pulling down a loop in the core thread, under the beaded picot, and using the fine crochet hook to add a bead to the loop, pass the shuttle through the loop then carefully pull the shuttle to draw the loop up through the bead and close the ring, RW

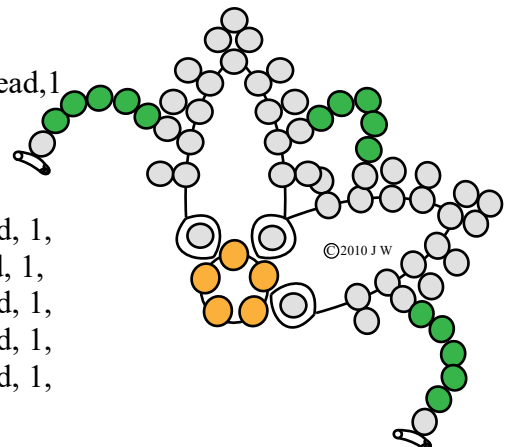

CH. 1, bring up one bead from the ball thread and one from the shuttle, 1, Using the fine crochet hook add 1 SB, 5 green beads and 1 SB to a loop in the ball thread and hold in place with a safety pin, Bring up 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 3 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Using the fine crochet hook add 1 SB, 5 green beads and 1 SB to a loop in the ball thread and hold in place with a safety pin as before, Bring up 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1

Tension the chain to curve as in the diagram and photo at the top of the page. RW

*R.B 5, + to the beaded picot on ring A by moving 1 bead to the left and having 4 beads to the right of the join, 5, add a SB to the centre of the ring as before, and cl, RW

CH. 1, bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Join to the small hole at the end of the long beaded picot on the previous chain left by removing the safety pin Bring up 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 3 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1,

Using the fine crochet hook add 1 SB, 5 green beads and 1 SB to a loop in the ball thread and hold in place with a safety pin as before,
 Bring up 1 SB on the shuttle thread, 1
 Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1, RW

Repeat from * twice more

R.E 5, move 1 yellow bead to the left and make a join to the picot on ring A, 5, add a bead to the centre of the ring as before, cl, RW

CH. 1, bring up 1 SB on the shuttle thread and 1 SB on the ball thread, 1

Join to the small hole left by removing the safety pin from the long beaded picot on the previous chain

Bring up 1 SB on the shuttle thread, 1

Bring up 1 SB from on the ball thread and 1 SB on the shuttle thread, 1

Bring up 1 SB from on the ball thread and 1 SB on the shuttle thread, 1

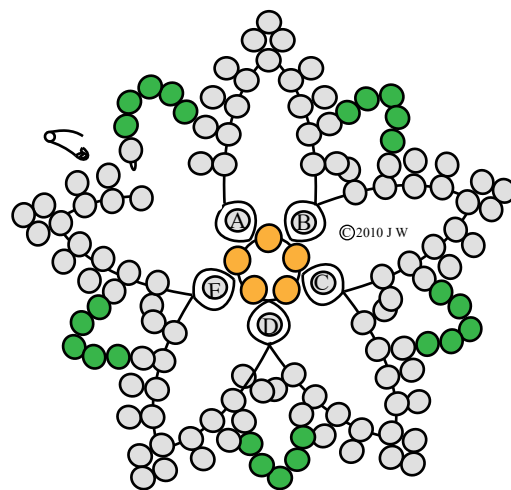

Bring up 3 SB on the ball thread and 1 SB on the shuttle thread, 1

Bring up 1 SB from on the ball thread and 1 SB on the shuttle thread, 1

Bring up 1 SB on the ball thread and 1 SB on the shuttle thread, 1

Join to the small hole left by removing the safety pin from the free long beaded picot on the first chain, bring up 1 SB on the shuttle thread, 1

Bring up 1 SB on the shuttle thread and 1 SB on the ball thread, 1, tension to match the other chains.

Cut and tie to the base of ring A and secure the ends.
